

2018 WYMS Poland
2018 WORLD YOUTH MODELSHIP SPORT
COMPETITION

On 4-10 August in Michałowice near Warsaw (52°09'11.6"N 20°53'18.6"E) International sports modeling competition for juniors 2018 will take place.

The competition will be held in three classes of sports federation NAVIGA.

Klasa M – based on the model mini Mono

Klasa NS – based on the model F4-B

Klasa S – based on the model F5-550

Rules :

60 competitors will take part in each class. Each player receives from the organizer a complete set in the selected class. The kit includes a model with parts, electronics, RC set, akumulator and charger. The competitor may start in one of the classes of his choice based on a previous application and confirmation of participation by the organizer.

The course of the competition is divided into two stages. The first stage (5-6-7 August) is the preparatory stage. In its course, participants under the supervision of instructors, teachers and judge assemble modeling sets, learn the rules of their operation, model construction and its operation. At this stage there is also learning to swim, competition rules, race rules NAVIGA.

The second stage (August 8-9-10) will be a direct competition in individual classes. Mini Mono class on the NAVIGA oval route, class NS route of the NAVIGA maneuver triangle and class S in accordance with NAVIGA regulations.

The participant taking part in the second stage receives a model (set) which he participated in the workshops and competitions on the property during the awards ceremony.

Cost :

The starting fee 80 EURO.

Participants bear the costs of accommodation, food and travel on their own.

Junior dinner 8 August 10 EURO only willing.

Organizer for participants from outside the Schengen area will prepare personal invitations for consular departments (please remember about the dates of obtaining a visa).
